PROFILE

Currently pursuing an MSc in People Analytics and Human-Centric Management at University College London from September 2026, following a First Class BSc (Hons) in Exercise and Sport Sciences from the University of Exeter. Developed experience in statistical analysis and research during undergraduate dissertation, and sales and customer experience during summer internship with RHB Banking Group. Closely follows financial markets and is keen to apply strong data and research skills in a client facing Global Markets FICC Sales role.

EDUCATION
